

Angela was recommended to me by a friend and I am so pleased she was. My cavalier Buddy always looks great when he has been to "Pampered Pooch" and Angela is very professional and friendly.

She really helped us out during the recent heat wave by giving us a short notice appointment for an extremely hot dog, which we were very grateful for. I recommend Angela and Pampered Pooch to all my friends for excellent service, fantastic price but most of all a happy, relaxed dog who looks great!
